

case study

Liffey Valley Extension Unit 8 Fonthill Rd, Clondalkin, Dublin 22

Featured Product: **Newgrange Block Paving & Tara Kerb**

Liffey Valley Shopping Centre is one of many significant retail destinations in Dublin, easily accessed by car and by Dublin Bus, which operate 16 routes to and from the area. The Shopping Centre is one of Dublin's largest and has undergone a significant expansion with the addition of space to provide more retail stores, a large cinema, extra restaurant and café units and most recently four drive-through units.

Project Size: 2500m²
