Waterside Residential Development Mountgorry, Malahide, Co. Dublin

Featured Products: **Paving and Walling: Inish Curragh Gold Block & Newgrange Oyster Flag**

Waterside is a well-established and popular residential development, which comprises of a mix of large four bedroom semi-detached and detached homes. These spacious homes are enhanced by the finest design and ideally located, between the city and the sea, just 3km west of Malahide.

For this project we provided our stylish and contemporary paving and walling blocks and flags. Our Inish Curragh Gold (200mm x 50mm x 60mm) and our Newgrange Oyster (600mm x 400mm) were utilised throughout this development.
