## The Johnstown Estate Johnstown, Enfield, Co. Meath

Featured Products: **Paving and Walling: Merrion Sapphire Flags, Corrib Black Granite Blocks  
Newgrange Silver Granite Blocks**

Set within 120 acres of stunning parkland, this luxurious 4-star resort has been developed around a magnificent 1750's Georgian residence in county Meath. The Johnstown Estate has invested €3.5m in creating an exciting new spa experience, completely remodeling and expanding the existing spa, designed with total luxury and relaxation in mind.

For this redevelopment, our Merrion Sapphire Flags (600 x 400 x 40mm) were extensively used, along with our Corrib Black Granite (210 x 170 x 50mm) and our Newgrange Silver Granite Blocks (3 size mix - 60mm). Merrion's clean edges and smooth texture mirror the latest design trends helping achieve a contemporary look to outdoor spaces.
